

# LEADERSHIP DAY

On Tuesday 30 October members of the SRC and Indigenous Leaders Group visited Life Adventure in Kurrajong to complete their leadership training course put together by Hawkesbury Care.

The morning lessons involved students learning about setting goals and decision making, important skills and attributes for any successful leader.

In the afternoon students put their communication, teamwork, and problem solving skills to the test in tackling a Team's Initiative course. Students had to pull, climb, crawl, leap and in some cases sing for their survival. It was wonderful to see students from years 7 to 10 talking positively and encouraging each other whilst working towards a common goal. Thankfully all students managed

to avoid death or mutilation from the toxic peanut butter spill!

The second activity of the afternoon again allowed students to practice their teamwork as they took turns on the Giant Swing. Being dropped from a height of 18m and swinging as high as 22m proved to be a daunting task for some. Whilst others were cool and calm posing mid swing like Superman. Not surprisingly, all students rushed to the rope to help haul their poor teacher into the air and took great delight in listening to me scream as I dropped!

Fun was definitely had by all involved and I am confident that all students who participated in the leadership program will be able to put into practice the skills that they developed throughout the course.

Students involved included: Wendy Ng, Michelle Smyth, Deeba Radmehr, Tim Ryan, Elizabeth Pearson, Vanessa Kirk, Emily Morgan, Joseph Berger, Lucille Shilling, Elizabeth Pearson, Erin Carrol, Roisin McCague
